Thickness	C-08121881
Water absorption and desorption	C-08121881
Abrasion resistance	C-08121881
Outsole	
Thickness	C-14092813
Cleated area	C-08121881
Cleat height	C-08121881
Tear strength	C-14092813
Abrasion resistance	C-14092813
Flex resistance	C-14092813
Additional requirements	
Whole footwear	
Electrical resistance	C-14092813
Energy absorption of seat region	C-14092813

Certificate of EU type-examination no. 0160 0137 19**4.- MARKING ON THE PRODUCT**

According to the properties verified in the examination of the model, each item of footwear shall be marked with the following information:

- CE Marking (under article 30 of Regulation (EC) 765/2008)
- Size
- Manufacturer's identification mark
- Address
- Model reference
- Batch or serial number
- Date of manufacture (month and year)
- European Standard Code EN ISO 20347:2012.
- Symbols corresponding to the class of protection provided (O1+SRC)

This information shall be clearly and permanently marked in accordance with the criteria established in the applicable directives and technical standards.

5.- VALIDITY OF THE CERTIFICATE

The certificate of EU type-examination will only be valid as original document and as long as the conditions under which it has been issued are not altered. It shall be reproduced with no changes.

This notified body shall be informed of any alteration to the components or the information contained in the technical file.
